09

09 Children of all ages could spend an afternoon studying Studio Job's Underworld design for Italian brand Nodus. It's a comic-book hodgepodge of wind-up fish, lobster-wasps, multiheaded geese, and haloed octopi on wool hand-knotted in Nepal.

10

10 For its 2013 collection, Ruckstuhl invited several internationally renowned designers to develop textiles. Patricia Urquiola created the seemingly three-dimensional Logenze, a rhombus-pattern rug that comes in three different sizes.
