HOMES FROM AROUND THE GLOBE

'THE DEFINITION OF LUXURY IS CHANGING. WE ARE LOOKING FOR THINGS THAT MAKE US THINK OR DREAM'

Main bedroom A 'Utrecht' sofa by Gerrit Thomas Rietveld for Cassina, covered in fabric by Raf Simons, and a 'Réaction Poétique' side table by Jaime Hayon, also for Cassina, add a pop of maroon to this calm space. The wall lights are by Serge Mouille and the bedside tables and blue lamps were made by James Shaw using wood and recycled plastic. The triptych above the bed is by Nathalie's mother-in-law. New double doors leading to the dressing room, where the focal point is the 'Tufty' rug by Laureline Galliot for Nodus, enhance the light feel of the bedroom. **See Stockists page for details ED**
