LIFE ON MARS

At Alcon, Italian rug brand Nodus unveiled its 'Mars' rug (above) and runner designed by Rome-based architects Studio Funksas. Inspired by the enigmatic Red Planet, the organic, abstract lines mirrored natural forms while suggesting an evolving visual language that fuses history with futurism. nodus.it; funksas.com

LIFE ON MARS

At Alcova, Italian rug brand Nodus unveiled its 'Mars' rug (above) and runner designed by Rome-based architects Studio Fuksas.

Inspired by the enigmatic Red Planet, the organic, abstract lines mirrored natural forms while suggesting an evolving visual language that fuses history with futurism.
